

Accommodation in Brighton

There are so many great places to stay in Brighton. If you are joining one of our longer qualifying courses and will be coming here regularly, it's probably a good idea to talk to local business owners of B&B's and try and negotiate a deal for block bookings. Or the larger chains may have discounts in the week or in winter months.

These are places students have recommended to us:

We cannot vouch for the standard of accommodation.

It is your responsibility to make individual arrangements.

Prices are not listed as they vary depending on the time of year and what's on in Brighton!

Do mention that you are training with Jing when you call. Some will offer you a 'Jing Discount'!!
