BRIGHTON ACCOMMODATION

There are loads of great places to stay in Brighton. If you're joining one of our longer qualifying courses and will be visiting Brighton regularly, try to negotiate a block booking deal. Larger chains may offer week day and/or winter discounts. This list is based on places where our students have stayed and Jing cannot vouch for the standard of accommodation. It is your responsibility to make individual arrangements. Prices are not listed as they will vary depending on the time of year and what's happening in Brighton.

Mention that you are training with Jing when you book as some may provide a Jing discount.
